**DOMESTIC AUTO EXPERTS DONATES \$5000 TO HOMEAID HOUSTON
at their Jeep Sweeps Give-Away Festival – Saturday, August 11th**

Houston – (July 16, 2007) – In January of this year, Domestic Auto Experts began collecting entries for their Jeep Sweeps to give-away the 1983 Jeep Scrambler they had been restoring. As part of the Jeep Sweeps, Domestic Auto Experts pledged to donate \$1 for every qualified entry up to 5000 entrants. Now is the time to donate \$5000 to HomeAid Houston!

Join Domestic Auto Experts Saturday, August 11th, starting at 11am, for a family friendly festival! The festival will include the presentation of a \$5000 check to HomeAid Houston, a 501(c)(3) organization that, in conjunction with the Greater Houston Builders Association and local caregivers like Bonita House of Hope, The Mission of Yahweh Mercy House, and Wellsprings Village, builds shelters for those in the Houston Area who find themselves homeless due to sudden job loss, catastrophic illness, domestic violence, drug and alcohol addiction, and natural disaster. Currently they are serving many Hurricanes Katrina and Rita victims.

The festival will also feature Domestic Auto Experts presenting the winner of the 1983 Jeep Scrambler with their keys and a Ribbon Cutting to celebrate their First Anniversary in the Atascocita area with help from their friends and the Kingwood Chamber of Commerce. Domestic Auto Experts will also be providing food, drinks, inflatable bouncers and slides, clown, DJ and much more to make the day a great family event.

The Jeep Give-Away Festival will be held at Domestic Auto Experts' location in Atascocita at 5433 FM 1960 East, Humble, 77346 on Saturday, August 11th beginning at 11am. Visit the website at www.domesticautoexperts.com to learn more about the event.
