

The HomeAid Hero Proposal

A way to bring hope and homes to Houston's homeless

How does it Work?

GHBA member donates a certain amount per home, lot or product sale to HomeAid Houston during a twelve-month period. A check is sent to HomeAid quarterly.

Or, company commits to an annual contribution to HomeAid, made quarterly or semi-annually.

Home buyers are advised their purchase will help build and renovate transformational housing for homeless men, women and children and they receive a thank you letter from HomeAid in their closing package or via mail.

HomeAid will issue a tax letter to the company at the end of the calendar year.

How will the funds be used?

Funds raised through the HomeAid Hero program will be used to further our mission "to build new lives for homeless families and individuals through housing and community outreach". This includes our major construction projects, as well as our HomeAid "Care Projects," that are smaller remodeling projects, in the \$25,000 to \$50,000 range. The need for these projects in the homeless community is enormous, as homeless care providers rarely have the funds for these projects. HomeAid typically receives many more requests for HomeAid Care projects than they can fund.

Examples include:

- Renovation of the day room at United States Veterans Initiative
- Remodeling of the lobby at Santa Maria Hostel's Jacquelyn House
- Remodeling of the client intake area for SEARCH
- New construction of duplexes for Gracewood's Next Step Project
- New construction of cottages at Boys & Girls Country

Will there be additional recognition?

All participants in the HomeAid Hero program will receive periodic recognition in the *Houston Chronicle* "Home" section, in the *Houston Builder* magazine, and on the HomeAid Houston website. In addition, the donating companies will be recognized as "Heroes" at our project dedications during the year. Those companies will also be featured on our HomeAid "wall" at the Greater Houston Builders Association.

HomeAid Hero Agreement
_____ and HomeAid Houston
A way to bring hope and homes to Houston's homeless

_____ donates \$__ per _____ to HomeAid Houston during the period of 201_. _____ will be invoiced quarterly for their Heroes payment and HomeAid will issue a tax letter to _____ at the end of the calendar year.

Unless notified otherwise, this contract will renew automatically, at the terms stated, at the beginning of each year.

[For builders: Buyers are advised their home purchase will help build and renovate transitional shelter for homeless men, women and children through a thank you letter that is included in their closing package. (see following)]

Funds raised through the HomeAid Hero program will be used to further HomeAid's mission "to build new lives for homeless families and individuals through housing and community outreach". Projects can include major construction and/or our HomeAid "Care Projects," smaller remodeling projects, in the \$25,000 to \$50,000 range. The need for these projects in the homeless community is enormous, as homeless care providers rarely have the funds for these projects.
